Raven 52

“On a field sable, in radiants d’argent, a maple leaf gules, charged with an open book; crest — a phoenix proper.” So runs the Heroldic description of the Corleton College crest.

The crest is the phoenix, the legendary eternal bird which symbolizes the renewing of learning from older foundations. The shield, a maple leaf charged with an open book, signifies that Corleton College is situated in the nation’s capital and that learning is open to all who wish to partake of it. The radiants are interpreted as the light of learning. “Ours the task eternal” is the motto taken from Walt Whitman’s poem “Pioneers”, and ties in with the eternal quality of the phoenix.

And so the Corleton College crest symbolizes sound learning, good citizenship, and the highest hopes of humanity.

TO DR. J. A. GIBSON, THE FIRST DEAN OF ARTS AND SCIENCE AT CARLETON COLLEGE,
THE RAVEN '52 IS AFFECTIONATELY DEDICATED.

The Dean's Message To the Graduating Class of 1952

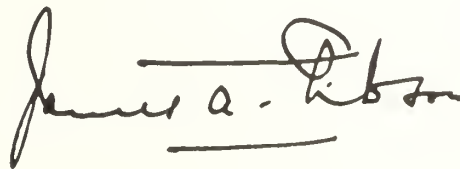

These lines are published as we are completing ten years of formal instruction at Carleton College.

In one sense, we have come a long way since the spring afternoon ten years ago when Dr. Tory called me up and said, "I want you to come and teach history at Carleton College. "Very well," I replied, (and what else **could** one say?) "when shall I begin?" We have progressed from two years' instruction in some subjects to degree programs in four areas, and our graduates are beginning to make their mark in fields of more than ordinary interest and of national importance. We have created interest and goodwill in all our further efforts.

In another sense, we are midstream in a constantly changing, swiftly flowing river of experience and apprehension. The other day, I heard Dr. Reinhold Niebuhr describing the processes of history as, not a canal which could be driven through a mountain, but as a broad and meandering river that flows between and around the mountains. I remarked particularly what he said about the course of this river. What a folly it would be (he said) to risk a **tragic** conclusion to contemporary history by insisting that it must have a **logical** conclusion.

In our progress upon the river of history, we shall have to deal with many obstacles, some unknown and uncharted. We shall have to avoid the shoals of prejudice and misinformation, the backwaters of indolence and lack of application, and at the same time get safely past or around the rapids which may promise the illusion of success without honest effort. I have seen Carleton College grow from idea to actuality; from hopeful intention to reputable worth. I would like to see it become both symbolism and talisman for understanding, imagination, and all those subtle and indefinable graces which give dignity to the human personality and courage to the human heart.

We shall, all of us, need all of these resources of mind and heart. As you move out with "sailing papers," I wish you fair winds and happy voyaging.

DEAN OF ARTS AND SCIENCE

The President's Message

This has been one of the finest years in the history of the College. Our first full ten years of teaching will come to a close with Convocation on May 16. Our first graduates in the complete courses in Arts, Science and Commerce (their year was 1949) have begun to make their mark in the world. Bachelors of Journalism and Public Administration were graduated in 1946, but much of their university work had been done before they came to Carleton College. Most graduates have entered employment, but post-graduate studies have been embarked upon by a creditable number not only in Canadian but in British and American universities.

The teaching staff of the College has increased in number and improved in quality since first the graduates of 1952 enrolled in Carleton's classes. The quality will be further improved with the return from leave of absence of several members of Faculty who have been studying abroad. And some additional appointments to staff will be made in September 1952.

The new library building, opened for use in June 1951, has made a significant difference in the life of the College. The Librarian reports a marked increase in the number of books in circulation.

The appointment of Professor James A. Gibson, B.A. (U.B.C.), B.A., B.Litt., D.Phil. (Oxon.) to be first Dean of the Faculty of Arts and Science was another important forward step.

One of the goals of the College has been to obtain from the Government of Ontario a "charter" in which specific reference would be made to the College's degree granting powers. Degrees have been conferred, until now, under the Letters Patent of the Ottawa Association for the Advancement of Learning.

On April 10, 1952 the Lieutenant-Governor of Ontario gave Royal Assent to **The Carleton College Act, 1952**. By this Act, the College is endowed "with university powers", with "power and authority to grant in all branches of learning any and all university degrees and honorary degrees and diplomas", and with "power to establish and maintain such faculties, schools, institutes, departments, chairs and courses of instruction as shall be deemed meet by the Board", i.e. the Board of Governors.

Carleton College thus stands confirmed by specific charter in the university life upon which it entered in 1942. You who are the graduates of this year have assisted in bringing to birth Canada's youngest university.

My best wishes are addressed to every member of the Class of '52. As undergraduates you brought your many splendid qualities of mind and heart into the service of the College. As graduates you will, I am confident, while not abating your loyalty to your **Alma Mater**, contribute richly to the life of Canada and of the world.

“The Carleton” 1951-52

Under the editorship of Courtney Tower, The CARLETON received honorable mention at the annual CUP conference in Hamilton last December, when it won third place in both the Bracken Trophy competition for editorial achievement, and the Jacques Bureau Trophy competition for overall excellence.

Other staff members included: Jim Muir and Merv Kelly, Associate Editors; Jerry Naanan, Sports Editor; George Gawryluk and Cindy Crazier, News Editors; and Les Durie, Features Editor.

During the year academic difficulties, financial troubles and other extra-curricular activities caused several shake-ups on The CARLETON staff. The first resignation came from Jerry Noonan; and consequently Pete Thomsan took over Sports. Cindy Crozier resigned her News Editorship when she took on the RAVEN '52 and Jim Muir resigned his Associate Editorship due to financial difficulties. At this point Dave Anderson was appointed to the Editorial Board as Acting Associate Editor.

Following the Christmas holidays, Jim Muir returned to the paper as Editor when Court was forced to resign due to pressure of studies. The staff which he has continued with since then consists of Merv Kelly and Dave Anderson, Associate Editors; Bill McGuffin, News Editor; Pete Thomsan, Sports Editor; Les Durie, Features Editor; Barb Langdon, Circulation Manager; Harry MacDannell, Business Manager; and Advertising Manager Curt Hyman with George Gawryluk as assistant.

C. O. T. C.

Contingent officer changes, a move from the Students' Union to the main College building, and instruction given for the first time in third phase theoretical training marked the third year of operation of the Carleton College Contingent C.O.T.C.

The 1951-52 session saw Major W. H. Kesterton become officer commanding when Major J. W. Moyne took leave of absence from teaching. Prof. J. M. Holmes become second-in-command with the rank of captain.

Major J. A. Froser continued as resident staff officer.

Rooms previously occupied by the College library on the fourth floor of the main building were taken over by the Contingent in the fall of 1951.

Enrolment by training phases was as follows : first year, 7 ; second year, 11 ; third

year, 6. Eighteen members were lost to the unit through graduation or transfer to third year engineering courses in other universities.

All officer cadets taking summer training were successful in the courses attended. Six contingent members were commissioned second-lieutenants.

Several third year cadets have applied for summer overseas posting to the 27th Infantry Brigade, Germany. It is hoped that at least some of these will be accepted for this service.

During the year contingent members held several indoor rifle competitions. A Unit smoker took place November 29 in the P.L.D.G. officers' mess through the kind permission of the officer commanding that unit.

On February 14, the C.O.T.C. joined with College colleagues in a memorial service for His late Majesty, King George VI.

U. N. T. D.

The U.N.T.D. was organized at Carleton College in the fall of 1948. The purpose of the organization is to train junior officers for the Navy in the event of an emergency.

Lieutenant - Commander J. Bonneou, R.C.N.(R), has been the commanding officer from its inception. Lieutenant-Commander E. S. Price, R.C.N., was appointed staff officer in the fall of 1951.

At present there are twelve first year cadets, six second year cadets and three third year cadets undergoing training. These receive instruction every Thursday evening at H.M.C.S. Carleton with cadets from the University of Ottawa and St. Patrick's College.

Last summer the Carleton College cadets received their training at H.M.C.S. Stadacona in Halifax, N.S. The first year cadets took courses in communications, celestial navigation and torpedo and anti-submarine warfare. Both years spent six weeks at sea on training cruises. On these

cruises the principal ports of call were Portsmouth, Belfast, Swansboro, Rosyth and Plymouth.

During the fall and winter terms the cadets are members of the wardroom. They have use of the ship's facilities which include harbour craft, dinghies, and whalers as well as various indoor sport equipment.

On the twelfth of January, the cadets held a social evening in the wardroom. The cadets were also host to the student body of Carleton College at the Christmas Dance on December 7, 1951.

The third year cadets on graduation from the college and examination by a Naval Board will be promoted to the rank of sub-lieutenant. This year's third year cadets will be the first group from Carleton College to complete this training. Sub-lieutenants (executive branch) are expected to undergo another summer of training which will qualify them for the rank of lieutenant.

Band

(Left to right): Fred Plett, Ross Thomson, Bob Frayne.

The Carleton College Band was formed four years ago to help maintain the high level of spirit at College functions. While the Band's activities in the past have been mainly limited to athletic events, this year, due to great co-operation from students and faculty, the Band has been able to greatly extend its activities.

A Band Concert and Dance, held in the fall, proved a great success. Throughout the year, the Band has played at the majority of the home basketball games.

A full concert program was presented for the Development Fund canvassers in January, and the Band played at the midnight show to aid the Fund Drive.

The Bandmaster this year was Ross Thomson. The future of the Band — if that future can be determined by its performance during the past year — will be a very bright one indeed.

Booster Club

Front (Left to right): Borbaro Wilson, Dove McConn, Cindy Crozier.

Back (Left to right): Lloyd Fitzgerald, Bill Jenkins, Ed Turnau.

Organized for the first time last fall by Edmund Turnau and Dave McCann, the Booster Club has undertaken to solicit financial aid to all sports activities at Carleton, and eventually to organize the student body and alumni into a group staging sports weekends and supporting Carleton Athletics. The club has an Associate standing on the campus, for graduates are eligible for membership and office.

The Hockey Dance, at which Marilyn Mansfield was chosen "Miss Hockey," was sponsored by the club in October. The sale of "Booster Buttons" enlarged the club's membership. Funds raised have helped to send Carleton teams on sports trips.

Executive: President: Dave McCann; Vice-president: Cindy Crozier; Secretary: Chris Brown; Treasurer: Ed. Turnau.

Bridge Club

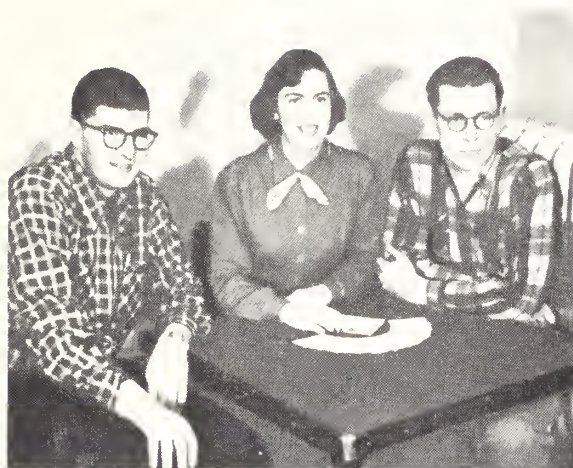

The Bridge Club of Carleton College was first organized in 1947, and soon became one of the largest clubs on the campus. During the years which followed, bridge slowly declined in popularity as the veterans graduated, and this year it appeared that bridge had lost much of its appeal.

However, the 1951-52 Bridge Club was not lacking in spirit, and, as in the past, it sponsored duplicate bridge tournaments for students who were interested in improving their game.

Carleton was represented by a team of its best players at the inter-collegiate bridge tournament which was held at Queen's University in February.

Other activities of the Bridge Club this year have been the sponsoring of bridge classes for beginners and the Bridge Club dance.

The executive of the Bridge Club this year is: President, Irving Altman; Vice-president, Mark Bodiar; Secretary Treasurer, Eleanor Allan; and Duplicate Bridge Director, Bob Chow.

(Left to right): Irving Altman, Eleanor Allan, Mark Bodiar.

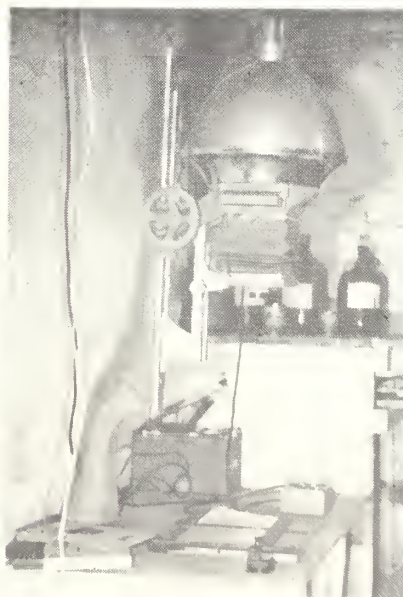

Camera Club

The Camera Club executive this year is: President, Bill Edwards; Secretary, Ted Hopkins.

The Club has taken pictures regularly for the CARLETON and the year book. Two demonstrations in the use of the camera, developing and printing, were given for fourth year journalism students.

While the Club has not been active socially, the membership is continuing to grow.

One particular value of the Club is that facilities are available to the members, as they are able to follow their interests, bearing in mind that photography is very much an individualistic pursuit.

The Carletones

The Carleton College Glee Club was organized in 1949, with Gerry Nason as director, and this fall began a new and successful season under the direction of Dave Brown.

In the short time that the choir has been in existence, it has been making traditions. One of these traditions is the Christmas Eve corolling. This year more than twenty enthusiastic corollers tromped through the snowy Glebe to serenade faculty members.

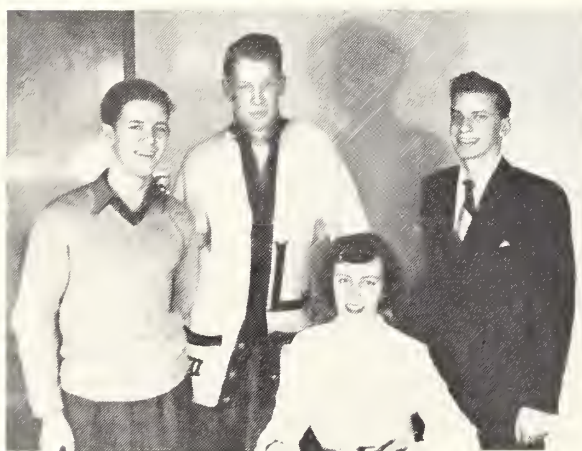

In September the Carletones staged the floor show at the Freshman dance, and in January they put this show on again, at an entertainment for the Development Fund Canvassers. In March they put on a new floor show for the Nominations Dance.

A successful "Song and Dance" was sponsored by the Club in December, when choir members sang a group of songs for the good-sized crowd.

The executive for the year 1951-52 was: President, Evie Frankland; Vice-president: Jack Hostie; Secretary Treasurer, Jean McWilliams; Public Relations, Joan Tingley; Librarian, Evelyn Poget and Accompanist, Sheila Leggatt.

Front (Left to right): Jean McWilliams, Sheila Leggatt.
Back (Left to right): Jaan Tingley, Evie Frankland, Evelyn Paget.

(Left to right): Bill Jenkins, Harry Macdonnell, Lawrence Freedman.
Seated: Jackie Sterling.

Commerce Club

The Commerce Club, composed of students of the Commerce faculty, has had a successful year, upholding its aim to further the education of its members in the field of business activity.

Early in the year a Commerce Club dinner was held, at which Mr. Allan Castle-dine, a prominent stock-broker, was guest speaker.

Several dances were held throughout the year, and the Club's social activities were highlighted by the annual Commerce Club Dance, held at the Ranch House.

Commerce Club members wore the new Commerce Club crests this year for the first time.

The 1951-52 executive is: President, Lawrence Freedman; Vice-president, Bill Jenkins; Secretary Treasurer, Jacqueline Sterling; Second Year Representative, Lloyd Rentner; Sports Representative, Jack Forbes; Advisor, Harry MacDonnell.

Front (Left to right): Ted Langdon, Marilyn Silver, Jim Dunlop, Tim Rowswell.
Back: Jerry Dineen, Gordon McNabb, Jock MacLeod, Jock MacIntosh, John McGuire.

Engineering Society

At a meeting in October the Engineering Society of Carleton College elected the following executive for the 1951-52 College year: President, Jim Dunlop; Vice-president, Tim Rowswell; Treasurer, Jack MacIntosh; Secretary, Marilyn Silver; Social Convenors, John Maguire and John Harbec; Athletic Whips, Jack MacLeod and Jerry Dineen; Public Relations, Gord MacNabb and Ted Langdon.

The Society has invited guest speakers to talk on engineering subjects of importance; and one of the speakers, Professor Stedman, gave an interesting lecture on the atom bomb.

The Society's annual dance was held on February 2, and "The Screwball", as it was aptly named, was a huge success.

French Club

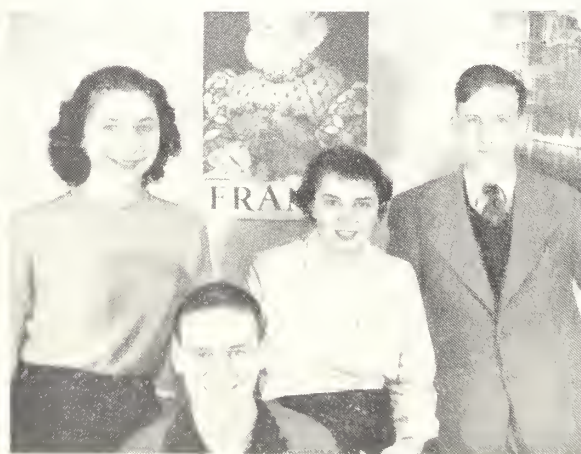

Le Club Français began as a supper club in 1944, under the leadership of James Patrick. Ever since, then it has been one of the most active clubs on the campus.

The prime purpose of the Club is to promote the practice of speaking French outside the class room in a social atmosphere. The meetings are held every three weeks.

At the October meeting Guy de Merlis, former French Club member who was at that time with "Le Droit," entertained the group with "Mes expériences comme journaliste."

In November, Miss Bouclière, from the French Embassy, spoke on her impressions of Canada. At the first meeting held in 1952, the Club heard Mrs. H. E. English speak on "La Bretagne — Son peuple et ses mœurs."

This year executive is: President, Don Mills; Vice-president, Marilyn Cole; Secretary, Andrew MacPherson, and Treasurer, Barbara Reeves.

Front: Dan Mills.

German Club

Officers 1951-52.

President: Ronald Ironside
 Secretary: Kenneth Brooke
 Treasurer: James Beckett
 Social Convenor: Doris Biesenthal
 Officer without Portfolio: Donald Burton.

The German Language Club of Carleton College is established to further the study of German by providing the students with the opportunity of meeting people who speak the language fluently. This is accomplished by meetings which are held once a month throughout the academic year.

The first meeting was an informal gathering in September at which some records of Schubert Lieder were played, and a short talk was given in German by Dr. R. Hoff. At the second meeting, in October, the Austrian film "Orphan Boy Of Vienna" was shown to an audience of over 200 people.

The December meeting featured the performance of a modern nativity play, "Das Wannbacher Weihnachtsspiel" by Wilhelm Scholz. Club members took the principal roles in the play, and music was provided by soloists and a choir drawn from Club members and friends. This evening attracted a capacity audience of 250 persons.

The meeting on February 2 featured games and folk dances of German, Austrian and Swiss origin. On March 4 an evening of German music was held.

Front (Left to right): Beverly Skinner, Carolyn Willett, Barbara McCogg.
 Back (Left to right): Sophie Ladas, Jean Walker.

Hleodor Club

The Hleodor Society is the women's association at Carleton College, with every

female member of the Students' Association becoming an automatic member.

The executive for the year 1951-52 is: President, Carolyn Willett; Vice-president, Sophie Ladas; Secretary Treasurer, Beverly Skinner; Social Convenor, Barbara McCagg; Sports Representative, Jean Walker. Assistant sports representatives are Barbara Wilson, basketball, and Lou Bryant, swimming.

The Hleodor Society is active mainly in the social field, and the first event of any College year is a tea given in honor of the new Hleodors. The second social event was the Starting Stomp, the first Saturday night dance of the year held at the College.

The Hleodor's "Sadie Hawkins Dance" was held in the assembly hall on November 17, with a record crowd in attendance.

On December 23, the Society sponsored an "At Home" at the Union, where Carletonians gathered for food, and sang Christmas carols.

The annual Sweetheart Dance, where Orma Paige was chosen Sweetheart of Carleton College, was held on February 16, and a spring tea was held at the Union.

Press Club

The Press Club of Carleton College was founded in 1949 to enable those Carleton students, with a common interest in writing, to get together for meetings and discussions. It is of particular interest to the Journalism students but club membership is open to all faculties.

The executive for 1951-52 was headed by Dick Campbell as President and Shirley Gillespie as Vice-President. The Secretary Treasurer was Edona Donovan and the Social Conveners were Cindy Crozier and George Gawryluk. Both Professor Wilfrid Eggleston head of the department of Journalism, and W. Kesterton, lecturer in Journalism, were honorary members of the club.

In its educational program, the Club invites guest speakers to address its members on all phases of writing. The first guest speaker for this year was Mel Morris, former editor of the Carleton, who outlined the method of writing a newspaper story. Professor Eggleston spoke on the personalities he has met in the field of Canadian writing. The late Kenneth Wilson, parliamentary

reporter and columnist for the Financial Post, also addressed the Club.

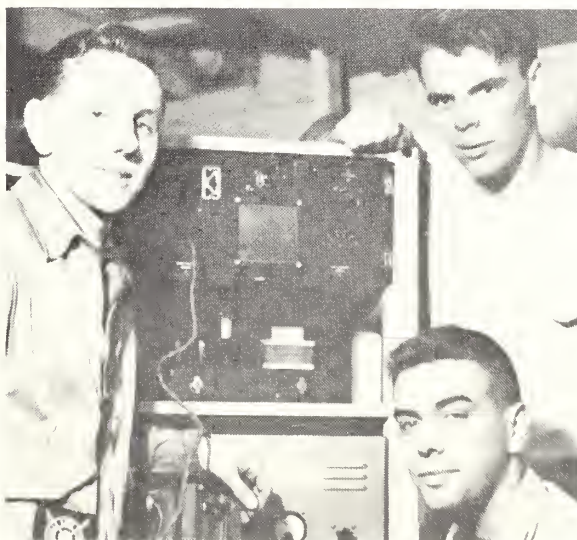

The social functions of the Club included two dances. The fall dance, was the Hallo-we'en Hoedown, and the winter dance, the Club's big event of the year, was the usual Deadline Drag.

Radio Club

The Carleton Radio Club has been back in operation this year after a year's absence. The club's 100 watt transmitter has shown its worth by maintaining contact with New York, Maryland, and Oklahoma and several other spots in the Americas.

The "Shack" is located ideally in the back basement of the Union. The Club's president, Bob Knapp, and Stu Marshall and Jens Gotthardt can usually be found there making repairs and adjustments or listening in on other hams around the world.

The club is anticipating a great increase in membership next year, now that the equipment is functioning properly.

Back (Left to right) : Bob Knapp, Stu Marshall.
Front : Jens Gotthardt.

Science Club

The Carleton College Science Club, which is open to the entire student body, attempts to promote an interest in general science, by presenting a science lecture series throughout the school year. The Club's speakers this year have included W. J. Huggett, Professor Munn, Dr. P. Millman and Dr. H. Nesbitt.

The annual Science Club dance, the Beaker Brawl, was held this year on November 10, and was a great success.

The Club's executive this year is: Bruce Sells, President; Dwight Barkely, Vice-President; Isabel Bayly, Secretary; and Ron Hinge, Social Convener.

(Left to right): Ron Hinge, Isabel Bayly, Bruce Sells, Dwight Barkley.

Sock and Buskin

The Sock and Buskin executive for the year 1951-52 is: President, Joan Baxter; Vice-President, Jean McDougall; Secretary, Sheila McIlwraith; Treasurer, Don Hindson; and Publicity Chairman, Shirley Gillespie. After Christmas the secretary resigned, and Elizabeth Sinclair was appointed to this position.

The Club presented a successful skit entitled "Hop-a-long Freud" at the "Frosh Court" in the fall. A Theatre Night at the Canadian Repertory Theatre was sponsored by the club.

During the fall, the Club presented an evening of three one-act plays, "The Words On The Windowpane", "The Boor", and "The Three Sisters Tragedy". These plays were performed in Arnprior in February.

The play, "The Words On The Windowpane", was chosen by a panel of adjudicators to represent Carleton College at the Inter-Varsity Festival, held at Bishop's College in February.

Throughout the year club members heard several interesting talks by prominent personalities in the field of drama. These included a talk by Sam Payne, of C.R.T.

(Standing): Dan Hindson.

(Left to right): Shirley Gillespie, Elizabeth Sinclair, Joan Baxter, Sheila McIlwraith, Jean McDougall.

S. C. M.

The Student Christian Movement is planned to give students an opportunity to understand the Christian faith and relate it to university work, to explore the meaning of Christianity for their life in the future, and to understand the social issues of the day. Since its organization in 1949, the Carleton College S.C.M. has sent delegates to Montreal and Kingston for special conferences. Special speakers this year have included the Rev. John Shearman, Dr. Sander and two Mormon Elders. The Club's meetings have been held on a weekly basis.

During the Christmas holidays, two delegates attended the conference of the Student Volunteer Movement of America, in Laurence, Kansas.

The Carleton College S.C.M. executive this year is: President, Ken Robinson; Secretary, Shirley Dickson; and Treasurer, Don Hindson.

(Left to right): Shirley Dickson, Ken Robinson, Don Hindson.

W. U. S.

The World University Service, now the widely accepted name for the International Students' Service, has been relatively quiet at Carleton this year. A more extensive educational programme was planned as it was felt that previous W.U.S. committees were merely money-raising organizations.

W.U.S. representatives from Canadian campi met at the national conference at Hamilton in October. Carleton was repre-

sented by Ted Hopkins and Daisy Joe. The committee undertook the responsibility of orienting, and finding jobs for, two displaced students from Yugoslavia. Both the International Treasurer and Secretary visited Carleton during the year. Plans for the showing of a documentary film on W.U.S. with spoken comment by a guest, were carried out in February. Chris Sutherland will head the future combined committee of W.U.S. and N.F.C.U.S.

N. F. C. U. S.

The National Federation of Canadian University Students is an organization uniting all university students across Canada. Carleton College is represented by two delegates from the council at the Federation's annual conference, which is usually held in the fall. Here the common problems of Canadian students are discussed and action is taken to foster national student ventures and to further relations among Canadian university students.

Among the achievements of N.F.C.U.S. may be cited the organizing of a Canadian University Debating Association, the Ca-

nadian University Press, and a programme of inter-regional exchange scholarships among Canadian universities. N.F.C.U.S. has obtained reduced rail rates and textbook discounts for students, and is working on a plan to exempt students from unemployment insurance and income tax.

The organization promotes inter-university exchange and also publishes a yearbook which depicts life on all Canadian campi.

The N.F.C.U.S. Chairman at Carleton this year, is Walter Baker; and the Chairman of External Affairs for the College is Yohannes Egzy.

We congratulate
Carleton College on its
admirable contribution
to community progress
and extend our best wishes
to the faculty,
the student body,
and the
graduating class
of 1952.

Sports

Front row (Left to right) : Jock Rockburn, Bernie Pollock, John Mogueire, Borry Wilkins, Sid Addleman.

Back row (Left to right) : Ted Edwards, Al Fitzsimmons, Al Oakes, John Neilson, Bob Abelson, Wes Nicol, Bud Joyce.

Raven Basketball Team

Carleton College Ravens completed their Intermediate Intercollegiate Basketball League schedule with a record of five wins and four losses to finish the season well up in the league standings.

After downing Ottawa U. in their first game, the Ravens last two close ones, to Queen's and R.M.C. The Ravens came back to down MacDonald and Bishops.

Their next game was with the then undefeated U. of Montreal squad. In a thrill-packed game at Fisher Park, the Ravens were defeated by one point.

One week later, the Ravens avenged the loss with wins over Layala and McGill. The final game of the year saw the Ravens return to Montreal and go down before the powerful Sir George Williams sextet.

Bob Abelson ran away with individual scoring honors with an average of 20 points per game. Sid Addleman recovered from an early season knee injury to finish second in the scoring.

The Ravens had a very good season, and much of their success can be attributed to their able coach, Ted Edwards.

Back row (Left to right) : Jim McNiven, coach, Charles Watts, Bruce Gibbard, Bill Robertson, Rass Buskard, John Clarke, Bill McClure, Don Kelly, manager.

Front row (Left to right) : John King, Daug Gilham, Vic Tapper, Gerry Arnold, Norm Zagerman. Missing, Dan Climo.

Cardinal Basketball Team

Carleton Cordinals, Intermediate City League champions of last year, did not fare so well on the boards this year.

A hot and cold team all year, the Cards dropped four of their first five games but came back to win four in a row and were right back in the running.

Against Morrisburg Sailors in the first round playoffs, the Cards dropped the first game of the two-out-of-three game series and looked to be on their way out. However, the Cards refused to go without a fight and

on the spurious Fisher Park floor, came back to down the Sailors by a wide margin and force a third and deciding game.

That contest proved to be a thriller all the way, with the lead changing hands every few minutes. With three minutes remaining in the game, the break came and it was the Sailors who were pulling away at the final whistle.

Bill Robertson led the Carleton scorers with 108 points, while Bruce Gibbard finished a close second with 91.

Bottom row (Left to right) Morilyn Mansfield, Nan Armstrong, Nancy Reode, Roberto Armstrong.
Middle row : Bill Edwards, Roy Wordle, Daug Banton, Pete Martin.
Back row : Pete Hodgins, Dove Ragars, Jean Walker, John Gammell, Colin MacDonald.

Swimming Team

The Carleton swim teams had their busiest and most successful season this year. The men won two of the four meets in which they participated and made a very creditable showing in the other two.

They retained the Ottawa Intercollegiate Swimming Association trophy and won a Home-and-Home-Invitation Meet with R.M.C. by a point total of 61 to 43. They placed second to Queen's at Kingston and won the first Carleton College Swimming Meet.

Carleton placed fourth at the second Ottawa-St. Lawrence Conference Meet which was held in McGill.

The girls successfully defended their O.I.S.A. crown for the fourth time, with a second Carleton team coming second.

In the Carleton Invitation meet, Carleton finished in a tie far third behind McGill and Queens. Again in the McGill Invitation the girls came third, behind McGill and Queen's but ahead of MacDonald.

The men's team was managed and coached by John Gammell. Jean Walker managed and coached the girl's team.

Robins Basketball Team

Front row (Left to right) : Carolyn Willett, Birdie O'Connor, Joan Boyle, Jayce White, Jackie Sterling, Moig Menzies.

Back row (Left to right) : Lynn MacNeill, Liz Ross, Ruth Campbell, Borbora Wilsan, Sophie Ladas, Janet Mackay.

Front row (Left to right) : Rod Srague, Roddy Blais.

Back row (Left to right) : John Gammell, Bill Jenkins, Narm Barry.

Ski Team

The Carleton College ski team attended only one meet this year but came up with a very creditable performance. As the only Canadian representative in the Patsdam Agricultural and Technical School Winter Carnival, the Carleton team finished third in a field of eleven.

Front row (Left to right): Carky Spence, Bill Ellis, Ray Wardle, Pete Thamsan, Ran Armstrong, George Yaung, Bob Irvin.

Back row (Left to right): Ed Turnau, Charlie Beardsley, Daug Macdonald, Jahn Wedge, Jahn Clarke, Norm Zagerman, Lloyd Fitzgerald, Jack Farbes, Dan Kelly, Frank Lambardo, Cliff Kelly.

Hockey Team

Carleton did not have a representative in the Ottawa - St. Lawrence Hockey League this year, but Carleton did have a team which played four exhibition games and won three of them.

On January 12, the Cards travelled to Potsdam, New York for the annual game with Clarkson College. A poorly-conditioned Carleton squad slowed down in the third period and lost the game 5-3 after fighting on even terms for two periods.

It was a different story when the Cards faced Kemptville Aggies in two games. Carleton won the first by a score of 6-2 and the second 14-2. One game was played

against MacDonald Aggies and once again the Cards came home in front by a score of 6-1.

The team was ably coached by Bill Beveridge who did an excellent job of working rookies in with veterans and switching the lines to find a winning combination.

For the second year in a row, Jack Forbes and Eric Kihl led Carleton scorers. Ron Armstrong led the parade to the penalty box.

High light of the season was Norm Zagerman's first goal of his hockey career. Norm left the nets and made his debut on the forward line in the second Kemptville game.

Track Team

A four-man Carleton track team won five points for Carleton in the annual Inter-collegiate Track and Field Meet at Montreal.

Gord Field was the only point winner in the Carleton crew as he threw the javelin 148 feet, to win the event.

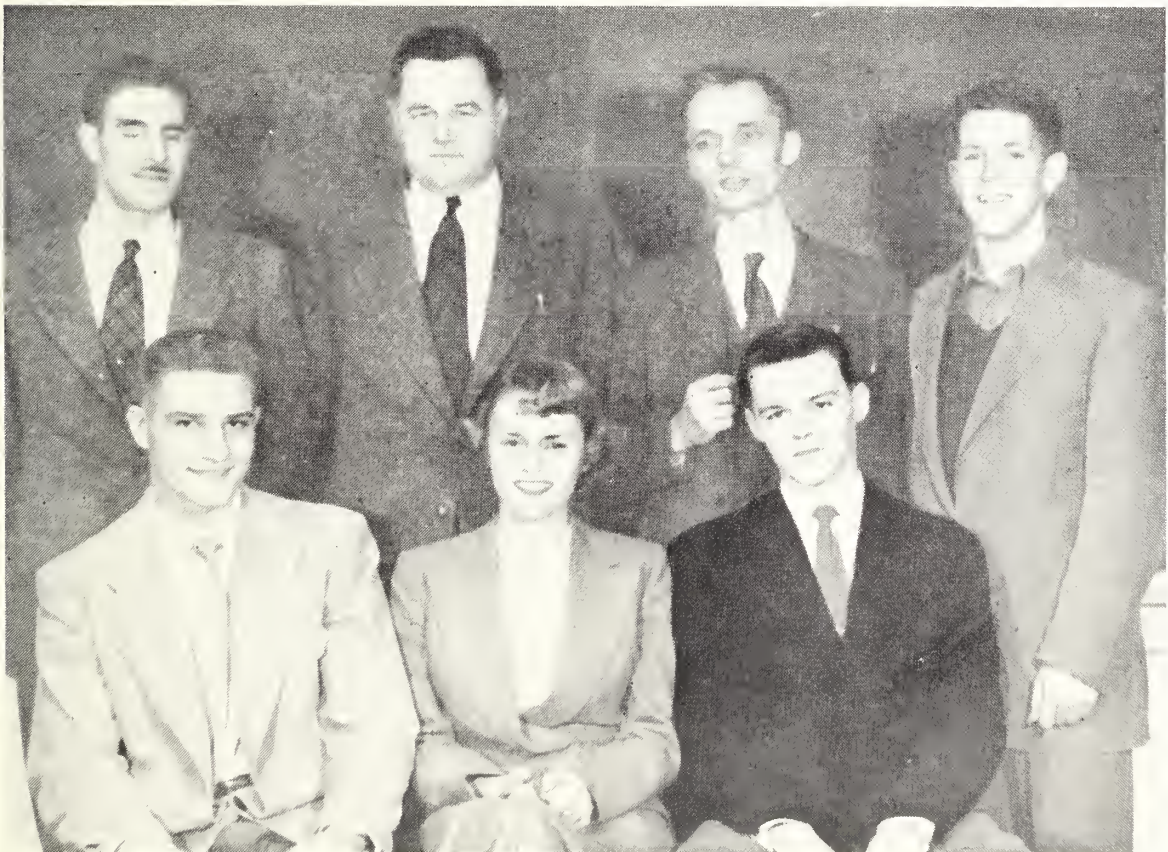

Front Row : Ray Wardle.
Back Row (Left to right) : Gordie Field, Pete McCormack, John McIntosh.

Minus the services of Ron Hinge and Pete McCormack, two track stars of last year, the team was considerably weakened.

Members of this year's team were : John McIntosh, Ray Wardle, Colin MacDonald and Gordie Field.

Athletic Board
